New Plymouth Sportfishing & Underwater Club

NEW MEMBERS

The New Plymouth Coast offers year round bottom fishing across a large number of species. In the summer months from late January to April there are game fish such as Tuna and Marlin to be caught. The club hosts a variety of fishing competitions throughout the year both bottom fishing and game fish.

The New Plymouth Sportfishing and Underwater Club has a growing membership and the club is a family friendly environment. Whilst promoting fishing, boating and diving, the club welcomes all members. There are a number of membership options available including family, single, superanuant, associate and junior.

All regular visitors to the club are required to become members.

The New Plymouth Harbour Boat Ramp is safe in all conditions and is located beside the breakwater across from the Clubrooms.

The Club operates a dive bottle fill service from the onsite Compressor faculty.

NPSUC OFFERS:
