

Rule Clarifications 2021/22

Highlights only

Membership and participation

- Day Membership, must be organised with a committee member PRIOR to leaving harbour.
- Only full member and Day member gamefish captures count toward boat tallies for the relevant trophies (Keith Bint, MAF and Kitty Vane). A day member cannot win any club trophies.
- Generally, day membership needs to be purchased on a daily basis. During multi-day competitions Day Memberships are offered as a concession – refer specific competition rules.
- Entry fees are not refundable if a competition is postponed or cancelled.
- The Fishing committee has the right to cancel or postpone a competition if after the competition has been called on, in the event of weather deterioration. Any fish caught until this time will still count.
- Any trophies presented at Annual prize giving will only be awarded to those that are FULL FINANCIAL Members PRIOR to going fishing on any given day.
- Membership ceases on the last day of September. Members are still eligible for the weekly draws from the previous financial year's membership up until 1st November at which point a new current membership list is distributed.
- A Junior membership at N.P.S.U.C. is under the age of 18 at 1st July for that financial year.
- Top Boat competition, the boat first registered prior to the Memorial must be fished on for ALL 4 bottom comps, with the exception if the skipper purchases a new boat and replaces previously entered boat.

Nationals (held February each year)

- Anglers, including all team members, must be a full member of NPSUC or financial members of an affiliated club to the New Zealand Sportfishing Council (NZSFC). No associate members are permitted. Day members must pay a day membership for all 8 days of the competition (as per NZSFC rules).
- A Junior during the Nationals is under the age of 17 at the end of February of that calendar year.

Gamefishing

- **To qualify for NPSUC Trophies All gamefish TAGS presented MUST be accompanied with a photo showing the TAG clearly in the fish.** These need to be emailed to npsucmarketing@xtra.co.nz and required to be sent within 24 hrs of tagging
- All TAG cards presented to the club, must be accompanied with Rod, Reel and Tackle/lure to check by a Weigh Master. All tag cards will then be stamped and signed by a Weigh Master.
- Only gamefish caught following NZSFC Fishing rules and regulations (including weighed Marlin >90 kg) are recorded as caught fish.
- Weighing of Marlin for non-members **not affiliated** to NZSFC - \$100 per marlin – this fee includes transfer to a single club Senior membership once accepted by the Committee as per the constitution. Free courtesy weighs are undertaken for NZSFC affiliates.
- For the purposes of clarification and calculation of Club awards or trophies, and to ensure alignment with the NZSFC Tagging programme, a fish is caught when it is 'weighed' or 'tagged and released'.
- Tagged fish include those Tagged with a Satellite Tag
- Rods, reels and tackle shall be presented for all tag cards and weighed gamefish.

Competitions

- ALL people over the age of 10 on a given boat MUST have entered for that particular competition. Failure to register all crew on board may result in disqualification. The Fishing Committee may, at its discretion, allow genuine non-fishing people on a given boat without the entry fee being paid. This must be requested, documented and approved on the entry form by the Fishing Committee for EACH competition (prior to leaving the harbour).

Housekeeping

- Please DO NOT start and flush engines on our Boat Wash facility, as this can endanger the Marine environment.

Rule Clarifications 2021/22

Highlights only
