I have entered the attached Fishing / Diving competition. I understand and accept that this contest will involve the launching and retrieval of my boat, the navigation of my boat through the harbour and moored boats. I will then be involved in coastal fishing.

I have been advised that there is a degree of risk involved in these activities. Underwater obstructions may be present i.e., rocks to side of ramp at low tide and dredge. I understand that if I do not exercise sufficient care my boat may be damaged and/or sunk. Fishing in coastal waters also contains potential dangers.

By entering into this competition, I have been advised of and understand the potential difficulties and/or dangers faced in this competition by me and my crew. I have familiarised myself with the area and have taken the steps a prudent skipper and crew should consider necessary in these circumstances. I warrant that I have the necessary experience and skill to handle my boat and crew in these conditions.

The New Plymouth Sportfishing & Underwater Club Inc; has advised me that it is not liable to me and/or my family and/or members of my crew or to any other person in regard to this event, and that I am relying upon on my own skill and judgement and not upon any warranty and/or promise given by The New Plymouth Sportfishing and Underwater Club Inc.

I and my crew indemnify The New Plymouth Sportfishing & Underwater Club Inc; for any loss damage and/or liability suffered by The New Plymouth Sportfishing & Underwater Club Inc; relating to anything done or not done by me or to any mishap suffered by me in regard to this event.

I also agree that neither The New Plymouth Sportfishing & Underwater club nor any parties associated with the event shall have any responsibility, financial or otherwise, for any risk incident that may arise, whether or not by negligence, from any direct or indirect loss, injury or death that might be sustained by me or my crew, from my intended or actual participation in the event or related activities.

My accepted entry will not be transferred to another entrant and accept that in the event of any "act of God" conditions causing a cancellation of the event, my total entry fee is not transferable or refundable.

I agree to comply with the event's rules, regulations, and event instructions.

I consent to receiving any medical treatment which may be advisable in the event of illness or injuries suffered during the event.

I have made my crew aware of these conditions and have authority to sign on their behalf.
